

2018 GOLF OUTINGS & FUNDRAISERS

“Private Club Conditions at a Public Course” 9 Hole ~ Par 36 Championship Course

Bungay Brook Golf Club is a beautiful 9-hole championship golf course located at 30 Locust Street in Bellingham, Massachusetts. The course was established in 2002 based on Scottish link style and was designed by renowned architect, Howard Maurer.

Bungay Brook incorporates the amenities, conditions and prestige of a private course while allowing the availability and affordability of a public course. This unique course was designed with water hazards on two holes and sand bunkers on eight holes, to provide a fun and challenging game to golfers of all ages. The four tee boxes allow the golfer to choose the level of challenge desired.

Bungay Brook also features a 300-yard all grass driving range, which includes a large practice putting green. Legacy Grille located in the clubhouse houses a beautiful oak bar and offers a pub menu.
